

## New Year Message from God

Effective immediately there are changes that you have to make in your life this New Year.

1. **Quit worrying:** Don't forget that I am here to take all your burdens and carry them for you.
2. **Put it on the list:** Not on your list but put it on my to-do list. Let me be the one who takes care of your problems.
3. **Trust me:** Have faith that I will take care of all your needs, your problems and trials. Problems with the kids, problems with the finances and any other problem. All you have to do is Ask\*.
4. **Talk to me:** Do not forget to talk to me every day. I want to hear your voice morning and evening because I love you.
5. **Share:** You were taught to share when you were only two years old. But, how come you forget all that- to share with those who are less fortunate than you; share your joy with those who need encouragement; share your tears with those who are mourning; share your faith with those who are doubting.
6. **Be patient:** Trust in my timing for my timing is perfect. I will provide you to get things at the right time. So, do not rush!
7. **Be kind:** Be kind to others, for I love them just as much as I love you. They may not dress like you or talk like you or live the same way as you do but I still love you all.
8. **Love yourself:** You are created by me, I live in you. I am everywhere. I am a God of love. Love me, love your fellow being and also yourself. I gave you your body, keep it safe and do not abuse it. You are very precious to me!

Have a happy and healthy new year all!
